NHS England

The public and the press

Job Summary

The Director of Public Health is the system leader for improving the health and wellbeing of residents, reducing inequalities in health outcomes and protecting local communities from public health hazards (infectious diseases and environmental threats). As such, the Director of Public Health is a statutory chief officer of the authority and the principal adviser on all health matters to elected members, officers and partners, with a leadership role spanning health improvement, health protection and healthcare public health. Section 73A(1) of the NHS Act 2006, inserted by section 30 of the Health and Social Care Act 2012, gives the Director of Public Health responsibility for:

- all of their local authority's duties to improve public health
- any of the Secretary of State's public health protection or health improvement functions that s/he delegates to local authorities, either by arrangement or under regulations – these include services mandated by regulations made under section 6C of the 2006 Act, inserted by section 18 of the 2012 Act
- exercising their local authority's functions in planning for, and responding to, emergencies that present a risk to public health
- their local authority's role in co-operating with the police, the probation service and the prison service to assess the risks posed by violent or sexual offenders
- such other public health functions as the Secretary of State specifies in regulations
- producing an independent annual report on the health of local communities

In order to deliver their responsibilities on behalf of the residents of Islington, the DPH will need to be a visible system leader in the health and wellbeing partnership arrangements. The DPH will be expected to use all the resources at their disposal to ensure that the local public health system is able to tackle the full range of determinants of health affecting communities in Islington.

Working with local communities, he/she should be able to inspire development of innovative solutions that support improvements in health and wellbeing and reduction in health inequalities whilst at the same time maintaining the confidence of Councillors and government.

Description of the LA and the Public Health Department

Please see attached

Job purpose and key responsibilities

The fundamental purpose of the postholder is to provide the leadership to drive improvements in the health and wellbeing of the residents of Islington, to reduce inequalities in health outcomes and working in collaboration with PHE to protect local communities from threats to their health through infectious diseases, environmental and other public health hazards. In delivering the key responsibilities described below, the postholder is expected to demonstrate a high level of expertise in the Faculty of Public Health Competencies (Appendix 1) and the person specifications (Appendix 2).

- a) Support the Chief Executive and Councillors in developing and delivering the Council's strategic agenda
- b) Be the chief officer and principal adviser on public health to the Council, local communities and local partners
- c) Operate strategically as a member of the corporate management/executive board and across the Council influencing policy and practice.
- d) To deliver commission, and or deliver services, which are effective, value for money and meet quality standards.
- e) To act as a leader across the local system of public services, influencing change and enabling a culture of continuous improvement in health and wellbeing, innovation and evaluation.
- f) Utilise the public health resources imaginatively and cost effectively across all domains of public health in order to improve health and wellbeing of local communities and reduce inequalities in health outcomes.
- g) Accountable for both the shaping and delivery of the Health and Wellbeing agenda taking account of the national agenda and benchmarking (using the national outcomes frameworks; public health, NHS and social care).
- h) Deliver an independent annual report on the health and wellbeing of local communities for publication by Islington Council to stimulate debate and/or action by the Council and partners.

The person specifications for the post are set out in appendix 2. In delivering the responsibilities outlined above, the postholder and his/her team will undertake the following tasks:

1. Strategic Leadership

- Delivery of a system to support surveillance, monitoring and evaluation of health and wellbeing and inequalities in health outcomes of local communities (including an easily accessible Joint Strategic Needs Assessment System)
- Ensure all activity undertaken by the Council takes account of both, the need to reduce inequalities as well as the requirements of the Equality and Diversity Act.
- To ensure scientific principles are applied to assessing need, exploring interventions and assessing progress of the Council's strategic agenda.
- Ensure as a core member of the Health and Wellbeing Board and in partnership with the wider Islington Council partners and the public, the development of plans to enable local communities become healthy, sustainable and cohesive
- Ensure a programme of action (both within and outwith the Council) to impact on the wider determinants of health that will promote improvements in health and wellbeing of local communities and reduction in health inequalities.
- Provide assurance that the health protection system for local communities is fit for purpose

- To work closely with Directors responsible for people (children, vulnerable communities and older people) to ensure to develop, implement and maintain a "fit for purpose" integrated strategy, which meets the needs of local communities and is cogent with the national approach.
- Collaborate across organisational boundaries to ensure communities in Islington benefit from population health and care programmes (development of sustainable transformation plans 2016-20).

2. Directorate Specific Accountabilities

- To be an advocate for improving health and wellbeing and reducing health inequalities
- Exercise the statutory responsibilities including the delivery of the mandated services
- To advise Islington Council on its statutory and professional public health obligations.
- Work with the PHE Centre and NHS England to ensure local communities are protected from infectious disease threats (including food and water borne disease, pandemics, etc) and environmental hazards
- Ensure the development and delivery of a credible plan to improve health and wellbeing of communities in <local authority> and reduce health inequalities.
- Ensure that the Council has implemented its EPRR responsibilities and through Cochairing of the Local Health resilience Forum, that partner organisations (PHE, NHS England and the CCGs) have delivered their EPRR responsibilities.
- IWork in partnership with CCGs and Directors of Social care to take responsibility for Population Health and Care; including oversight and promoting population coverage of immunisation and screening programmes
- Provide public health advice (the core offer) to CCGs supporting the commissioning of appropriate, effective (based on evidence), and equitable health services.
- Support the Health and Wellbeing Board to deliver its statutory duty to promote integration for the benefit of local communities
- Collaborate across local authority boundaries to ensure residents of Islington benefit from population health and care programmes (the Sustainable Transformation Plans, which apply from 2016 to 2020).

3. Resource Management

- To be accountable for the budget including reporting on the use of the public health ring fenced grant.
- To manage Council resources (People, property, information and finance) imaginatively and efficiently.
- Manage public health staff and ensure that they are able to influence in such a way as to ensure health and wellbeing in its fullest sense is central to Islington.

4. Commissioning

- Ensure services for improving health and wellbeing of local communities are commissioned within the Council policy for procurement and monitoring system and are responsive to the needs of the communities in Islington and over time.
- To set the framework for standards for commissioning and delivery; including the promotion
 of innovative approaches and appropriate risk management systems which are responsive
 to performance challenges.
- To ensure scientific principles of evaluation underpin all commissioning and delivery, of health and wellbeing services.

5. Advocacy

- Develop a constructive relationship with the media and the public, within the context of the Council Communications policy.
- To use the Faculty of Public Health, the LGA, the ADsPH, PHE and other channels to advocate for the public's health.

Management arrangements

The Director of Public Health will be professionally accountable to the Council (and Secretary of State for Health through Public Health England) and managerially accountable to the Chief Executive of the Local Authority. An initial job plan will be agreed with the successful candidate and reviewed annually.

The Director of Public Health will:

- 1. Will have a joint management responsibility of the shared public health service with the director of public health for Camden, which comprises 70 staff (including 3 trainees)
- 2. Manage budgets ca £26m
- 3. Be expected to take part in on call arrangements for communicable disease control/health protection as appropriate depending on local arrangements
- 4. Ensure appropriate management and support for Specialty Registrars (in Public Health)

A current description and organisational structure of the joint public health service is attached

The terms and conditions for the post are described in appendix 3

Professional obligations

Professional responsibilities will be reflected in the job plan. The Director of Public Health will be expected to:

- 1. Participate in the organisation's staff and professional appraisal scheme and ensure participation of all staff members.
- 2. Ensure quality improvement (and clinical governance) programmes are an integral component of the public health approach in the Council.
- 3. Contribute actively to the training programme for Foundation Year Doctors/Specialty Registrars in Public Health as appropriate, and to the training of practitioners and primary care professionals within the locality. Pursue a programme of CPD, in accordance with Faculty of Public Health requirements, or other recognised body, and undertake revalidation or other measures required to remain on the GMC/GDC Specialist Register with a license to practice or the UK Public Health (Specialist) Register or other specialist register as appropriate.
- 4. Practise in accordance with all relevant sections of the General Medical Council's Good Medical Practice (if medically qualified).
- 5. Agree any external professional roles and the time required to deliver those roles with the Council.

Appendix 1

Faculty of Public Health: Competencies expected of all public health consultants/ specialists

All consultants irrespective of their background are expected to be proficient in the competencies set out below.

Use of public health intelligence to survey and assess a population's health and wellbeing

To be able to synthesise data into information about the surveillance or assessment of a population's health and wellbeing from multiple sources that can be communicated clearly and inform action planning to improve population health outcomes.

//. Assessing the evidence of effectiveness of interventions, programmes and services intended to improve the health or wellbeing of individuals or populations

To be able to use a range of resources to generate and communicate appropriately evidenced and informed recommendations for improving population health across operational and strategic health and care settings.

III. Policy and strategy development and implementation

To influence and contribute to the development of policy and lead the development and implementation of a strategy.

IV. Strategic leadership and collaborative working for health

To use a range of effective strategic leadership, organisational and management skills, in a variety of complex public health situations and contexts, dealing effectively with uncertainty and the unexpected to achieve public health goals.

V. Health Improvement, Determinants of Health, and Health Communication

To influence and act on the broad determinants and behaviours influencing health at
a system, community and individual level.

VI. Health Protection

To identify, assess and communicate risks associated with hazards relevant to health protection, and to lead and co-ordinate the appropriate public health response.

VII. Health and Care Public Health

To be able to improve the efficiency, effectiveness, safety, reliability, responsiveness and equity of health and care services through applying insights from multiple sources including formal research, health surveillance, needs analysis, service monitoring and evaluation.

VIII. Academic public health

To add an academic perspective to all public health work undertaken. Specifically to be able to critically appraise evidence to inform policy and practice, identify evidence gaps with strategies to address these gaps, undertake research activities of a standard that is publishable in peer-reviewed journals, and demonstrate competence in teaching and learning across all areas of public health practice.

IX. Professional, personal and ethical development

To be able to shape, pursue actively and evaluate your own personal and professional development, using insight into your own behaviours and attitudes and their impact to modify behaviour and to practice within the framework of the GMC's Good Medical Practice (as used for appraisal and revalidation for consultants in public health) and the UKPHR's Code of Conduct.

X. Integration and application for consultant practice

To be able to demonstrate the consistent use of sound judgment to select from a range of advanced public health expertise and skills, and to use them effectively, working at senior organisational levels, to deliver improved population health in complex and unpredictable environments.

The DPH as a public health leader is expected to have both the technical expertise as well as the ability to use those techniques to both, lead and support the development of complex solutions to improve the health and wellbeing of local communities. In addition, they are expected to have skills and the attitudes to be able to present the results of applying their technical expertise so that they are understandable and stimulate actions by a range of individuals and organisations.

Appendix 3

Summary of Terms and Conditions

1. Salary

The grade of this post is CO1 on the Joint National Council Chief Officer Pay scale and ranges from spinal column points 1 to 9, which on the current rates of pay, range from £117,624 per annum and subject to satisfactory performance rising by annual increments to £138,846 per annum. This is inclusive of Inner London Area Allowance.

Salary is paid monthly by credit transfer in arrears on the 26th of each month, or if that day falls on a Saturday, Sunday or bank holiday on the working day before the 26th of each month.

Employees with less than 6 months' service by 1 April shall receive their first increment 6 months after their appointment. All other increments shall be paid on 1 April each year. Incremental progression is subject to satisfactory performance.

2. Working Pattern

The postholder is required to undertake such reasonable hours of work as are necessary to perform the duties of the post. This may involve working in the evening or weekends where necessary. Additional hours will attract neither payment in respect of overtime nor time off in lieu.

3. Location

The role is normally based at 222 Upper Street, London N1 but there is a requirement to work at such other Council or non- Council premises within the London Borough of Islington, which may be considered reasonable and necessary for the effective performance and exercise of your duties.

4. Probationary Period

Confirmation of appointment is subject to satisfactory completion of a six month probationary period. During the probationary period, the postholder will be expected to demonstrate their suitability for the post. The Council's Discipline, Grievance and Sickness Absence policies will apply during this time.

5. Notice

Three months' notice by both parties.

6. Redundancy

Redundancy will be in accordance with the terms and conditions set out in the Joint Negotiating Committee for Chief Officers of Local Authorities.

7. Annual leave entitlement and holidays

The annual leave entitlement will be 27 days (or pro rata as appropriate) in the full leave year. The Council's leave year commences on 1 April and finishes on 31 March the following year.

In addition to annual leave, the Council grants five privilege days. Two of these days can be taken at any time during the leave year subject to usual advance notification. The remaining three privilege days must be taken during the Christmas and New Year period as the Council stipulates. These latter three privilege days are not an automatic right and can be withdrawn by the Council at any time.

Additionally, there is an entitlement to eight public and bank holidays as they fall.

8. Long Service

Employees who complete five years' continuous service will be entitled to an additional five days' annual leave in the full year (pro rata as appropriate). Any period of local government service should cover a minimum of five annual leave years which runs from 1 April and finishes on 31 March the following year.

9. Sickness Pay

During 1st year of service	one month's full pay and (after four months' service) two months' half pay	
During 2nd year of service	two months' full pay and two months' half pay	
During 3rd year of service	four months' full pay and four months' half pay	
During 4th and 5th year of service	h year of five months' full pay and five months' half pay	
After 5 years' service	six months' full pay and six months' half pay	

The above service requirements, relate to continuous Local Government service and not just service with Islington Council.

10. Pension

Enrollment into the Local Government Pension Scheme (LGPS) is automatic upon appointment, and therefore commence making employee contributions to the occupational pension scheme.

11. Politically restricted posts

This post is politically restricted. The Local Government and Housing Act 1989 introduced a category of posts called "politically restricted". Employees holding these posts are disqualified from becoming or remaining an MP or a member of a local authority (except a town, parish or community council) and from carrying out public political activities.

12. Pecuniary and personal interests

The postholder shall not engage in other business or take up any other additional appointment without the prior written consent of the Chief Executive.

13. Discipline and performance

The post is subject to the disciplinary, capability and grievance procedures specific to Chief Officers.
