

# New Tower Hamlets SLT Structure

(following Nov 2020 review)

TOWER HAMLETS

# Senior review 2020

- The review was conducted by the Chief Executive in October and November and endorsed by elected members in December and January 2021.
- The review streamlines the senior leadership structure, retaining a balance in the spans of control and is consistent with budget constraints
- Merges Governance and Resources Directorates to create a corporate director of Governance and Resources
- The statutory functions and responsibilities of the Section 151 Officer and the Monitoring Officer will now be held by two posts at the senior leadership level, respectively the new Chief Financial Officer post and the Director, Legal post
- Both statutory officers are full members of the Corporate Leadership Team and have dotted line reporting to the Chief Executive
- The corporate director of Governance and Resources role is currently vacant, pending recruitment
